RE: ALL AVAILABLE PRODUCTS  
LECTURES, WORKSHOPS AND TRUNK SHOWS

Dear Quilt Shop Owner or Guild Member:

Please allow me to introduce myself. My name is Penni Domikis and I am the owner and chief designer of Cabin in the Woods Quilters. CWQ is a quilt pattern design company established in 2003 and located in Fredericksburg, Virginia.

I was introduced to quilting by a family friend and combined my love for this hobby as well as photography and graphic design into a thriving pattern design business. I am an award-winning quilter and have developed a reputation for breaking down quilting designs into manageable pieces for quilters of all skill levels, leading to my company motto, "Make it simple... but make it with style!"

I love the creativity of coming up with new designs and delight in all aspects of the pattern process, from the cutting, to the stitching, to the print layout for production. I love meeting quilters from all over the country at classes, workshops and quilt shows and enjoy seeing my designs stitched and recreated by other quilters.

In 2010, I began designing quilts using all of the scraps from the numerous projects I had made over the years. In the beginning of 2011, I published my first book on the subject, *All Scrapped Out! A guide to making a masterpiece from your unruly collection of scraps* (©2011). The book was designed to teach quilters how to sit and sew their scraps with no pre-cutting or pre-pressing of scrap fabrics. It was a complete success and led to the publishing of two more books: *Civil War Sampler Block-Of-The-Month* (©2009) and *Still All Scrapped Out!* (©2012) (a follow up to the first scrap quilting book). I have been traveling since 2011 speaking to guilds and quilt shops about my scrap quilting methods and teaching numerous workshops on the subject. Each lecture and trunk show has been met with excited quilters eager to make a masterpiece of their own.

I am pleased to announce the publication of my fourth book, *What A Load of Scraps* (© 2014), the third in the *All Scrapped Out!* series and am anxious to show even more designs that can be created using my methods with a mixture of scrap sizes.

Please review my attached materials concerning available lectures and trunk shows, books and patterns and a new line of acrylic templates that accompany my book series. All acrylic templates from my line are custom made in my workshop located in the United States. Custom designs for your shop are also available.

Thank you for allowing me to introduce myself to your organization. I hope that you will make Cabin in the Woods Quilters' products available at your shop.

Best Regards,

Penni Domikis

## WHY HIRE ME?

SCRAP QUILTING IS NOT NEW AND THERE ARE MANY QUILTERS IN THE INDUSTRY THAT TEACH THIS VERY SUBJECT. I BELIEVE THAT SCRAP QUILTING SHOULD TRULY BE "FROM YOUR SCRAPS" AND I LOVE SHOWING QUILTERS HOW TO MAKE BEAUTIFUL QUILTS WITH THEIR ACTUAL LEFTOVERS WITHOUT A LOT OF EFFORT. I LIKE TO BELIEVE I AM KEEPING THE PASTIME ALIVE BY FREEING QUILTERS FROM UNNECESSARY STEPS AND MAKING THE PROCESS FUN. I AM A NO-STRESS QUILT TEACHER WHO WILL GUIDE YOU OUT OF YOUR BOX AND HELP YOU TO REDISCOVER AND ENJOY YOUR HOBBY AND USE WHAT YOU HAVE. I LOVE PUBLIC SPEAKING AND SHARING MY METHODS AND IDEAS WITH OTHER QUILTERS AND IT SHOWS IN MY WORK.

## EDUCATION AND QUALIFICATIONS

Began quilting in 2000. Originally taught by a family friend/quilting instructor and encouraged to continue taking classes. Have had the pleasure of learning skills in piecing, applique and machine quilting from some of the best instructors in the country. Began designing my own quilts in 2002 and designing under the name Cabin in the Woods Quilters in 2003.

Have worked in the fields of photography and graphic design since 1995. Have a Bachelors Degree in Literature from Towson University (1996). Current owner and Chief Designer of Cabin in the Woods Quilters. Current CEO/FSO of Cabin Digital, LLC, a Engineering Consulting and Technical Publication Firm.
